UPCOMING EVENTS

Black Earth Creek Clean Up

Salmo Pond (Salmo Pond on Hwy 14 west of Cross Plains)
Saturday April 25, 2009
9 am to Noon

Meet at Salmo Pond to clean up trash along the Creek (bags will be provided). Co-Sponsored by BECWA, BECCO, Cross Plains Area EMS and Southern Wisconsin Trout Unlimited.

Stream Monitoring Workshop

Cross Plains Fire Station
Saturday, May 16, 2009
8:30 am - 4:30 pm

Volunteers will be trained to take measurements of oxygen dissolved in the water, temperature, water clarity, water flow, and habitat.

Register by contacting Mindy Habecker, Dane County UW-Extension at Habecker@co.dane.wi.us (preferred) or at 224-3718 prior to May 12, 2009.

DNR Presentation on Cedar Hill Subdivision Development Impacts

American Legion Hall, Cross Plains
Monday, May 18, 2009
6:00 pm.

BECWA encouraged the Village to participate in a Task Force to set unique development standards for the Schoepp property, located along Garfoot Creek, that annexed by the Village. The Village believes that their existing water quality regulations and the DNR study of Cedar Hill subdivision development area are sufficient to evaluate future development proposals and has scheduled this event in response to our request.
