PATH Wisconsin, Inc.
Alternative Education Summary Report

Books, Videos and CD Training

This form is to be completed by a foster parent wishing to gain credit towards their annual education requirements or their Foster Parent Certificate Program for learning completed by reading a book, watching a video, or listening to a CD training.

Please have your social worker approve your material prior to completing it to ensure you will gain credit for your work.

Summary:

1. Tell us one new idea you got from this training and state how this will impact your foster parenting:

2. Tell us about one strategy presented in this training that you were already doing with your foster children and how this works for your family. Or about one thing you already knew and thought was important information to hear again.

3. Would you recommend this training to other PATH Wisconsin Foster Parents?

   Yes **or** **No**
