## This Month's Meeting...

### Madison Area Business Expo 2006

Presented by South Metropolitan Business Association

Join us for *Extreme Networking*

Thursday January 19, 2006 4 to 7 PM

Coliseum Bar and Restaurant (Upper Level Exhibit Hall)

Over forty businesses from throughout Madison's south central area are exhibiting at Madison Area Business Expo 2006. We encourage "extreme networking" of businesses, ideas and personnel.

Exhibitors will offer information on their products and services at their booth, and many will offer a "drawing prize" with a value of at least \$25.00. All attendees can register to win the "major value door prizes" contributed by various exhibitors. That drawing will take place at 6:45 pm.

All exhibitors and prize winners will be recognized in the SMBA February 2006 Newsletter.

Admission at the door is \$10.00. Complimentary beer and appetizers will be served. Parking is free on site.

Free Admission tickets to the Madison Area Business Expo 2006 can be obtained from any SMBA member, by calling Jean Vogel at 663-2560, or by visiting [www.SMBA-Madison.org](http://www.SMBA-Madison.org).

## CONGRATULATIONS!

Board Member James Mankowski has been elected to serve a 2-year term as the Chairman of the Milwaukee based Wisconsin Security Chief's Association. Mankowski was elected because of this private security and law enforcement experience. JBM Patrol & Protection Corporation was founded by James in 1990 and has offices in both Madison and Milwaukee. The Chief's Association represents over 60 guard companies. Congratulations, Jim!

success. We had many members bring non-perishable food items to the December meeting. In addition, we collected enough money to provide some very specific and much-needed items to St. Mark's Food Pantry. The folks at the Food Pantry send their sincerest appreciation for our generosity and support.

### Together We Can Build a Stronger Southside Community

Do you have an idea for a youth program? Or perhaps you have an idea for an activity that integrates people from different income, racial, and ethnic groups. Are you pondering where to get the funding for these projects? Now, you can turn your inspiration into reality.

The Town of Madison (Town) and South Metropolitan Planning Council (SMPC) encourage you to apply for a grant as part of:

1. **Community Services Initiatives - "Hands Across South Madison":** Promote activities that develop youth, which includes, but is not limited to, projects that support recreation, mentoring, education, job training and placement, intergenerational activities, family strengthening, and community building.
2. **Community Building Initiative:** Promote activities that involve the social integration of people from different income, racial, and ethnic groups.

Both of these grants award amounts up to and including \$5000.

Projects for both initiatives should focus on the inclusion of residents who live within the SMPC area, which has the following boundaries: Regent Street, Monona Bay, and Lake Monona on the northside; City of Fitchburg on the southside; Yahara River and Mud Lake on the eastside; and Randall Avenue and the western boundary of the University of Wisconsin Arboretum on the westside.

The geographic boundaries include the neighborhoods of Greenbush, Bay Creek, Bram's Addition, Capitol View Heights, Burr Oaks, Arboretum, Arbor Hills, the neighborhoods between Post Road and the Beltline, Southdale, Indian Springs, Moorland-Rimrock, Highland Manor, Broadway/Lakepoint and Waunona,

The Town/SMPC encourages everyone to apply — volunteer organizations, non-profits, neighborhood associations, and community members. We welcome and encourage questions throughout the application process. Completed grant proposals are due Wednesday, March 1, 2006 by 4:30 p.m.
