As rugby is a club sport, the team has many expenditures and we are still looking for sponsors! Coach Hoyt is working on this as we speak! If you know of anyone please let him know. The Club is paying \$5 for each members shorts plus buying your socks and kicking in \$12 on the warm-up jacket.

Here is a list of the sponsors we have:

Angie Brown (former players Mom and web designer) = \$275

Trader Joes - will donate food for all home games, and home playoff games (***Please tell your parents about the parties after home games they are invited***)

Coach Hoyt is working on other donors. If you or your parents have any ? Please contact myself or Coach Hoyt!
